STORY

In order to find his missing brother Seiichi, Otoji went to Yokosuka, where he happened to meet a mysterious boy named Hustler Joe. He was bewildered by the way Joe sold his own body to earn a living, but captivated by him, also. After starting to live together, they managed to narrow the gap between their minds as well as in their bodies. Then, Otoji found out that the man Joe was hanging out with at the moment, Nedu from the Tokiwa group, was the very one who killed his brother, so he bought a pistol to take revenge on him. However, due to the division inside the Tokiwa group, Nedu was shot and killed by gang members.

With that incident, Otoji's resolution to revenge was cut off, and therefore decided to stay in Yokosuka until he could find his own self. Meanwhile, after breaking up with Otoji, Joe met with the fourth head of the Tokiwa group, Tooru Tokiwa. Not only did this man have a passionate attachment towards Joe, he was also in search for the whereabouts of Nedu, who was concealing himself from the danger of being assassinated. After that, in an attempt to protect Otoji's life, who was being kept as a hostage, Joe gave in to the threat and revealed the place where Nedu was hiding.

Just before his own death, Nedu told Otoji that Seiichi is living in Taiwan. Even though he was very worried about his brother, Otoji still couldn't let go of Joe and chose to be by his side instead. Their hearts started to miss each other once Joe became a member of the Tokiwa Group. Later, when Joe was about to attack a man, he found out that he was an ex-colleague of Otoji's brother, Seiichi, who also informed him that Otoji's mother had been hospitalized. Otoji had already gotten onto a bullet train with the intent of returning to his mother's side, however, when he saw Joe, Otoji was completely touched by Joe's words and got off the train. Finally, their hearts met...!!

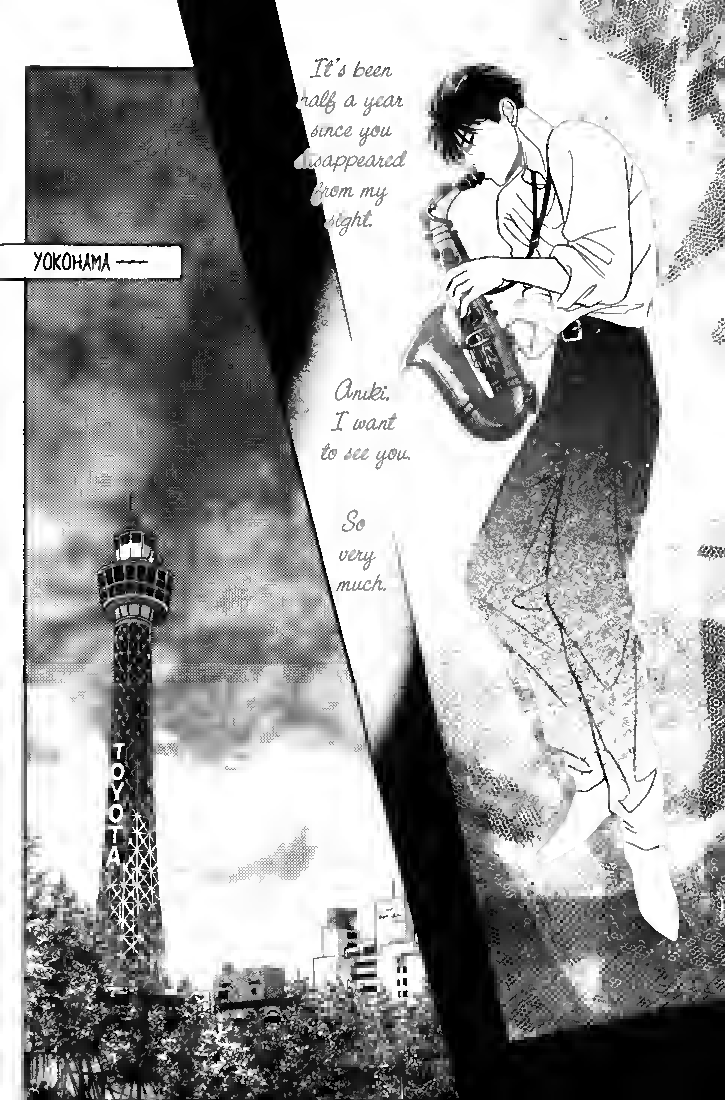
Private Detective Pass
This is proof that the below-mentioned person is a member of the Japanese Association of Private Detectives.
Name: Kirishima Saichi
Birthdate 1970. 7. 13
Address: Tokyo-to, City, Central District, Sanno Street 2-chome 7-385, Building #1 Room 1002
A red-haired hustler.

You have bad luck, huh!
Things have been restless around me recently, so...
It's easy to trigger me off these days.
What game is this!?
That damn brat!!
Indeed, my luck's really bad.
To think that the chance was almost within my grasp.
It would've been good if you had killed me.
Then I could've been reincarnated.

You're one strange guy ...
Kirishima, is it!
If you wish, I can kill you.
I'm afraid that about half a year ago, an exchange like that had, no doubt, happened.
Aniki, are you well now?



It's been half a year since you disappeared from my sight.
YOKOHAMA
Aniki. I want to see you.
So very much.

Meeting with him here once a week

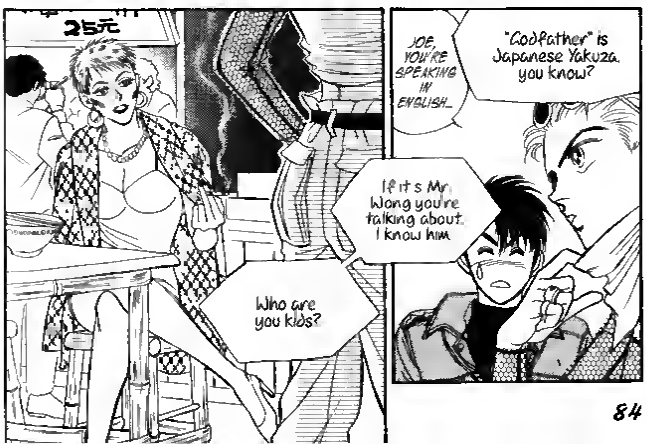
It's because I'm getting Japanese lessons from a young Taiwanese guy.
Let's ask him!

Do you know a cook at Hua-Xi street
..known as Wong or Ong?
There's many with that name, so it's a bit difficult...
That person would be someone like a "Godfather" on that street
!
You're kidding me! Really?
Well probably
He knows Nedu-san and is involved in human laundering, so it's probably this type of a person
God?



"Godfather" is Japanese Yakuza, you know?
JOE, YOU'RE SPEAKING IN ENGLISH...
If it's Mr. Wong you're talking about, I know him
Who are you kids?

We're friends of Nedu. He'll definitely understand when he meets us...
We'll thank you if you bring us to him.

I heard on the news that Nedu.. had been murdered in Okinawa.
.....
we can't talk properly in such a noisy place.
How about coming to my place?

It's not the season now, but during summer, this place would become a beer garden.
I'm a resident and also a supervisor here.

But I'm surprised you're performing in a band .....
(and a hard rock one even)
Actually it was originally a Jazz one
Anki used to play the dinner saxophone at the 4 Beat Club in Y College
That's why I was influenced by him
.....
You stay here tonight. It's been a long time since you brothers have had a private chat.
Joe ...!?
Let's go Detective -san!

But, I was mistaken.
If I slept with him, it would feel more like a loss.

Even though I told Joe that I wouldn't step into it ambivalently...
I do understand this at least...
You are the one important person...

Why do you think I buried Kirishima Seiichi!?
It's so that I can get reborn as another person and see you!

I'm going to go back to my hotel and sleep
And so mate, I'll pass him to you!
Sorry Okazaki-san
I'm glad you came back...

The only time when Joe gets so dead drunk is when he's angry.
Why Joe..
..was it because of me..?
Joe.
You're asleep so you probably can't hear
but I..
Joe.
And when Joe gets angry, that's because he's sad..

I know very well
women or sibling ties...
Are not the real reason I can't do it
It's painful, when I see you.
It's already been fixed for me...
The person that I want most is you

Because you left me there like that and went away

Joe

I love you, very much...
I love you, I really do...
I love you no matter till when...
HEY, WAKE UP, OTOJI!!
Ouch, that hurt!
I remembered that tune from last night!
It's Akira Nishikino's "As long as the sun is in the sky"!
Ah, my mind's finally clear now! Let's go to sleep!
Even though you were the one who kiss out like a light earlier than me just now...
I'll go take a shower.

Because of certain reasons, we can't go back for a while right now
And Otoji hasn't given up on you either yet

Until there's a conclusion we'll be staying with you!

POPIÓL I DIAMENT

To Dad and Mum -
Dad, sorry for disappearing without telling you at that time. We are now in Taipei, and Brother is here too.
If possible, I want to come home together, but... it seems like he's fed up with a lot of things.
Please don't worry, we're all doing fine.
Mother, please take care of your health.
Sorry for being such willful children!
With regards, Otoja
The laundry's done...
I'm finished!
Food, food....

STARE
We're going for a gig.
Thank you –
Anyway, the fridge's empty, so go buy something to feed him.

If you don't want to die of hunger... then give up on me and go back.
You want to let your cute little brother die of hunger?
Go pay for your own damn food!
An Ri doesn't have the room to pay for spongers!
I'm not Kirishima Seichi anymore I'm Wong An Ri
I don't plan to go back to Japan anymore.
Otouji ....
You think I am cruel? If you have given up hope on me then...
there's no need for you to stay beside me anymore!
Indeed, it's cruel

Come, Otoji
You've got a serious case of brother-complex
That's because you don't want your brother to be taken away
When I saw those 2 earlier my chest unintentionally hurt...
However...
I can't meet Aniki's desires.
Entrusting a favorite thing ahead as if it's a dog
HEY, SEIICHI!
SMOOCH
!!

I MIGHT EAT HIM UP INSTEAD! ♡
Li Yin
Stupid Joe!
Coming all the way here to...
You are worried about him, right?
Leave it. They can't stay here for long anyway
And so,

Does Seiichi really not regret it?
STOP IT! NOT IN FRONT OF LI YIN-SAN.
He did it first
What are you so conscious about? Have you fallen for him?
blush
Did something happen between you and him?
NO, NOTHING AT ALL!
Well more importantly how about our food money?
Like Li Yin-san said we shouldn't be anymore of a burden on my brother
The money from Okazaki-sans nearly used up
Well we'll just have to go do it at the street corner!
Joe – don't tell me that you...!!

STREET CORNER SAXOPHONE PERFORMANCE!
Thank god. I though he meant sex in the street
Are you going to just look? How about singing?
Are you asking a fight or something... I am the bodyguard!
And I'm tone deaf anyway! ;)
Shall I play something from Theresa Teng? Or Chage and Asuka songs?
Pick something more trendy for god's sake!
Alright I'll play one of my recently learned tunes from Dulfer then

This guy cannot be trusted...
While saying that I'm the person he most wants,
Isn't he too deeply immersed
in kissing it?

Otoji.
There is something I want to ask you.
Eh?
What ...?
Joe..?
CLAP CLAP
CLAP CLAP

Thank you
Thank you!

OK, baby.....
Hey who gave you permission to make money here?
CAN TELL HE'S PROBABLY SAYING SOMETHING LIKE THAT
HEY... BODYGUARD! HERE'S YOUR CHANCE TO WORK!

Da Pao!!
What did you just say?
Fuck!!
The only thing you remember so fast is slang.
Old man, you're in the way! Move aside!
!!

You're grown up Airan Jou...
You're Seiichi's younger brother right? You look a lot like him
.....!?
KASAIGAI (HWA XI JIEY'S GODFATHER ...
Hey, don't tell me this mere old man is...

When I was active in Yokohama's Chinatown
I was known as "Tatsuo".

JAPAN PASSPORT

The one who robbed you is a young punk in our organization. It caused quite a commotion.
It's their job to check the backgrounds of the people around me.
But I'm very sorry as it seems that they took the chance to steal your money too.
I've taught them a good lesson.
How is it?
I used their bone marrow to make the soup.
SOUP
A very close friend ---
My only one in Japan
Just joking, just joking!
What a terrible old man as one indeed expects of Nedu-san's friends

Nedu was so sure that he would get a son.
Jo!
He must have struck it on really deep, huh?
I want you to name my son when he is born.
When you were in Lily's womb...
Your parents used to come often to eat at my shop in Yokohama.
Then the name Jou was given by you...
Yes
NOTE * (YUUJOU MEANS FRIENDSHIP)
The 'Jou' in 'YuuJou'
The favorite word that I had learnt in Japan

No matter how many times Nedu had the most superb sex with you.

there's no way you can deny the bond of blood between you.

... that's why. I've decided to think of it this way.

I love
Joe.
This is Japan's newspapers from today.
A special dish.
When my dear friend was murdered ....
...as a friend, there is only one thing that I could do....

TOKIWA GROUP FOURTH GENERATION LEADER ASSASSINATED!!
GANG WARFARE IN CENTRAL YOKOHAMA REGION?
!!
Tooru is dead!!
Really!!
I lost...
One of my "cooks" in Japan, too

Otoji... your brother's become the adopted son of one helluva man.
Don't tell me...
that you're going to make my brother one of your 'cooks too..!?
You were the one who did it, right?
Don't worry. I only gave him a Taiwanese name...
in order for him to begin his new life...
Are you planning to take him back, no matter what?
Thank you very much for the meal! We'll be leaving now
.....

Please come again when you are hungry
Ah
We'll do that.
But...
Hey, look, Otoji!
Joe... Shall we go back to Japan...?
It's almost unbelievable that Tooru was so easily killed
BANG
BANG

He's a guy It can't be helped
I can't believe the nerve of your brother!
AHH... AH... AH...

Well,
Let's have sex too!

Aww...!

An Ri...!
Let's go back to Yokosuka!
Takiwa's not there anymore.
Are you going to do things so half-heartedly again?
What happened to your persistence in searching for your brother? If you stray from it...!

Hey what was it ?
What?
Your eyes seemed to be saying something
When you were dancing -
Aah ...
It was nothing
If Seiichi goes back to Japan
you'll live with him again right?
And so—

Ah, well there's no guarantee that we'll remain like that for the rest of our lives
We'll go our separate ways someday.
Is that so?
At any rate you're not the type that will flitter around without settling down forever.
How blind! I'm not that normal.
because I've had sex with you so many times that I've lost count!
Even if I give up on my brother...
I won't leave, so...
I'll definitely do this one thing---
Joe -
I won't say any vague words like "throughout my lifetime"

Forever!
But if possible let's stay together...
You...
Do you know what you're saying?

From this moment onwards...
I'll never forgive you...
If you ever...
betray me...
AH---
AH...

JOE~

I had wanted to confirm if Tooru is really dead but...
Joe...
Well never mind.
We'll be in Yokosuka in a few more hours anyway!
Oh, that looks yummy!

You really don't regret it, Otoji?
Yes.
I had made a decision.
Well then, shall we go bid our farewells to our companions before we go back, then?
... At that time, Joe kept silent about it, but

I can't perform tonight.
Eh... what did you just say? An Rii!
Otoji please! Help me!
Eh...!?

An Rii
There's no way he can do that.

Let me play!!
Otoji!?
Well just perform without the saxophone accompaniment
Wait..!
Joe..
If I can do anything for my brother
this maybe the last chance.
You bastard~! That was a dirty trick!

You stupid siblings... Neither of you know how to give up!
Say whatever you want
Even if it's for just a minute or second... if it can stop him, I'll do anything
Jazz...

JOE...
AFTER THAT, I'M GOING TO CHARGE YOU FOR LATE RENTAL RETURN FEES!!
Thank you.
An Ri's tenor saxophone
Ah. How unbecoming.
I'm becoming soft on you

The guests have come in already so there's no time to practice...
Do you know our songs?
Only the one that goes "The sun is in the sky..."
Then, play whatever you can, and ad lib the rest...
Can you do that?
I'd try my best!
Joe...
Why don't you go to the spectator stand to watch?
I don't see what's so interesting

Sorry Joe...
It doesn't matter it's the bond of blood
... silly you.
AAh? What...
Joe... sorry.
Why have you been apologizing just now...

Nn
Oh no

You were bought by Wong Da Fu.

The real Selichi is ---
Hey! Aren't you going out for the encore?

How can we?! The 2 main characters have both vanished!
What a strange picture...
Li Yin-san do you dislike me?
You're my rival in love, but here we are on a date

No..
...I love An Ri. There's no way I can hate the you that's so much alike him
I'm glad to hear that...
Right from the beginning I had thought that you were an amazing person.
I couldn't forget your kiss from before.
Ever since that time I couldn't get you out of my mind
That's...
Are you making a pass at me?

What about Joe? Don't you love him?
TWANG
It does hurt...
..here
Sorry, Joe
That's why this is.
a one-time moment of weakness
I will betray you ---
If it's a thrill you want, there's always your brother.

You're not my brother
Didn't I say it before? I can't do it with my brother
What shall we do now then?

Thanks for letting me impose on you all this time
Goodbye.
How the heck would I know!
What about Otowl?
Wait! Are you going back by yourself?
And you too, An Ri
He betrayed me!

!?
You knew ..?
You've been betrayed by Seiichi too!
Did you hear us?
No matter if he is Seiichi or not
Otoji knew that I would never forgive him...
yet he still went ahead and did it.
That Li Yin is the real Seiichi...
Does Otoji-kun know?
Who knows

No one can make a fool of me like that!!
Joe ...!!
Wait...!

Please don't turn on the lights
Would you like something to drink?

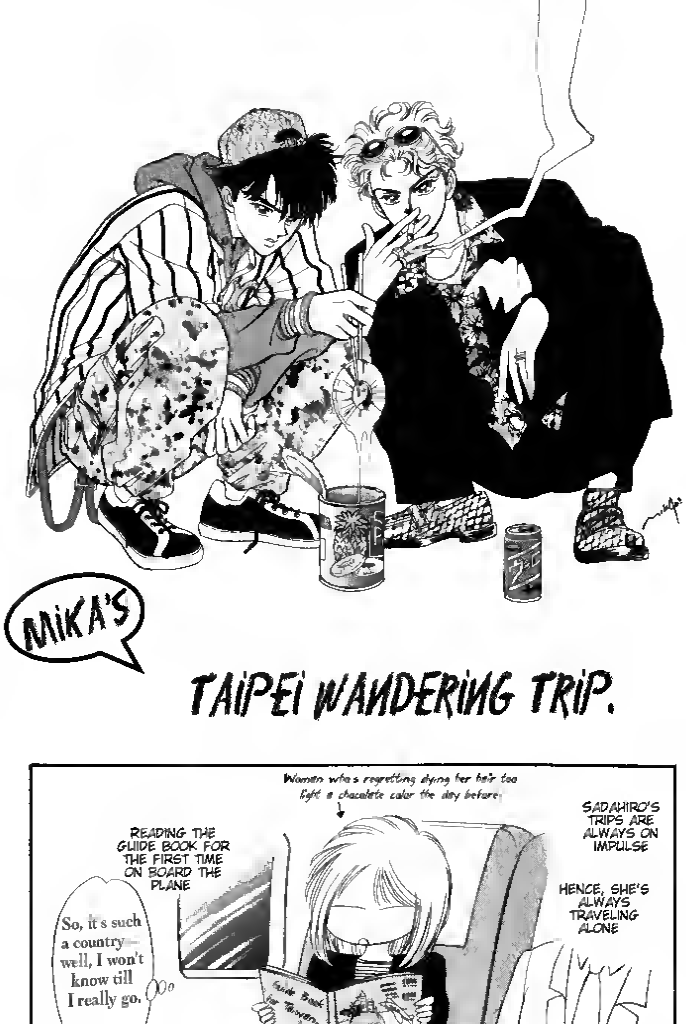
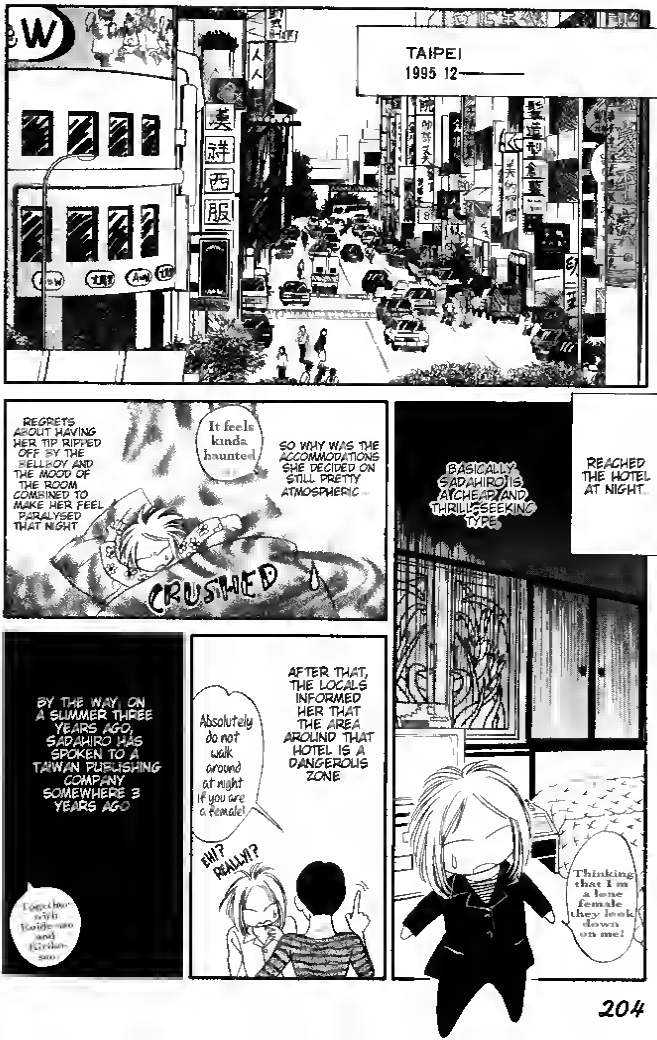
Ashes and Diamond – to be continued in Volume 4^^

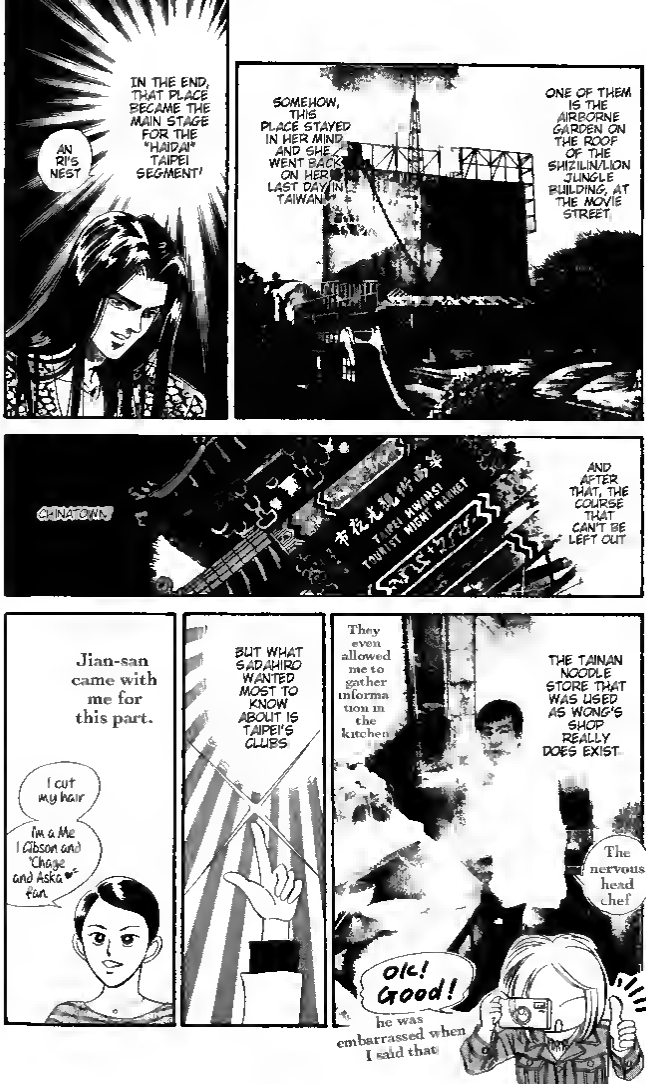


MIKA'S
TAIPEI WANDERING TRIP.
Woman who's regretting dying her hair too light a chocolate color the day before.
READING THE GUIDE BOOK FOR THE FIRST TIME ON BOARD THE PLANE
So, it's such a country— well, I won't know till I really go.
SADAHIRO'S TRIPS ARE ALWAYS ON IMPULSE
HENCE, SHE'S ALWAYS TRAVELING ALONE

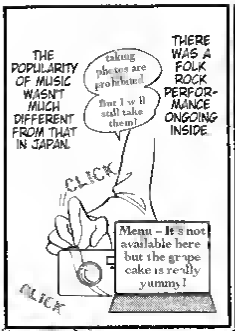


TAIPEI
1995 12——
美祥西服
REACHED THE HOTEL AT NIGHT
BASICALLY SADAHIRO IS A CHEAPSKATE AND THRILLSEEKING TYPE
Thinking that I'm a lone female they look down on me!
AFTER THAT, THE LOCALS INFORMED HER THAT THE AREA AROUND THAT HOTEL IS A DANGEROUS ZONE
Absolutely do not walk around at night if you are a female!
EH? REALLY?
BY THE WAY, ON A SUMMER THREE YEARS AGO, SADAHIRO HAS SPOKEN TO A TAIWAN PUBLISHING COMPANY SOMEWHERE 3 YEARS AGO
Together with Hoshimaru and Hirokun too.
REGRETS ABOUT HAVING HER TIP RIPPED OFF BY THE BELLBOY AND THE MOOD OF THE ROOM COMBINED TO MAKE HER FEEL PARALYSED THAT NIGHT
It feels kinda haunted
SO WHY WAS THE ACCOMMODATIONS SHE DECIDED ON STILL PRETTY ATMOSPHERIC
CRUSHED

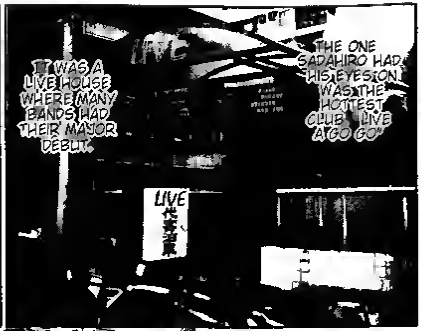
Don't really understand Japanese. But English is OK!
LIN-SAN
X Japan fan
NING-SAN
Ni Hao!
"HELLO! IN CHINESE!
The first day, Jian-san introduced me to them and asked them to bring me around the city – but
actually, I contacted her before embarking on the trip
PLEASE CALL ME WHEN YOU COME TO TAIWAN
At that time, I received the name card of the Jian-san that was interpreting at that time, so
But she didn't really remember me
B-type thinking...
Well, it'll work out somehow. We're all fellow asians
NI... NI HAO...
Don't understand both Chinese and English.
I'm Sadahiro Mika / Ding Kuang Mei Xiang
Mei Xiang cute right!
SADAHIRO WANTED TO KNOW THE TAIWAN "NOW".
THE PURPOSE OF THIS TRIP IS FOR RESEARCH...
THE PLACES WHERE THE YOUNG GATHERS, THAT IS NOT COVERED IN THE GUIDEBOOK
I'm glad this country uses Kanji!
So, the conversation was in english and written form!
NOTE PAPERS (DISCONNECTED PHRASES& WORDS MOSTLY)



AN RI'S NEST
IN THE END, THAT PLACE BECAME THE MAIN STAGE FOR THE "HAIDAI" TAIPEI SEGMENT!
SOMEHOW, THIS PLACE STAYED IN HER MIND AND SHE WENT BACK ON HER LAST DAY IN TAIWAN.
ONE OF THEM IS THE AIRBORNE GARDEN ON THE ROOF OF THE SHIZILIN/LION JUNGLE BUILDING, AT THE MOVIE STREET.
CHINATOWN
TAIPEI HUAXI ST TOURIST NIGHT MARKET
AND AFTER THAT, THE COURSE THAT CAN'T BE LEFT OUT
Jian-san came with me for this part.
I cut my hair
I'm a Mc Gibson and Chage and Aska fan.
BUT WHAT SADAHIRO WANTED MOST TO KNOW ABOUT IS TAIPEI'S CLUBS
They even allowed me to gather information in the kitchen
THE TAINAN NOODLE STORE THAT WAS USED AS WONG'S SHOP REALLY DOES EXIST
The nervous head chef
OK! Good!
he was embarrassed when I said that
idiot?

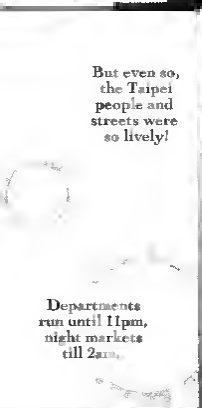


THE POPULARITY OF MUSIC WASN'T MUCH DIFFERENT FROM THAT IN JAPAN.
taking photos are prohibited!
But I will still take them!
CLICK
CLICK
THERE WAS A FOLK ROCK PERFORMANCE ONGOING INSIDE.
Menu - It's not available here but the grape cake is really yummy!



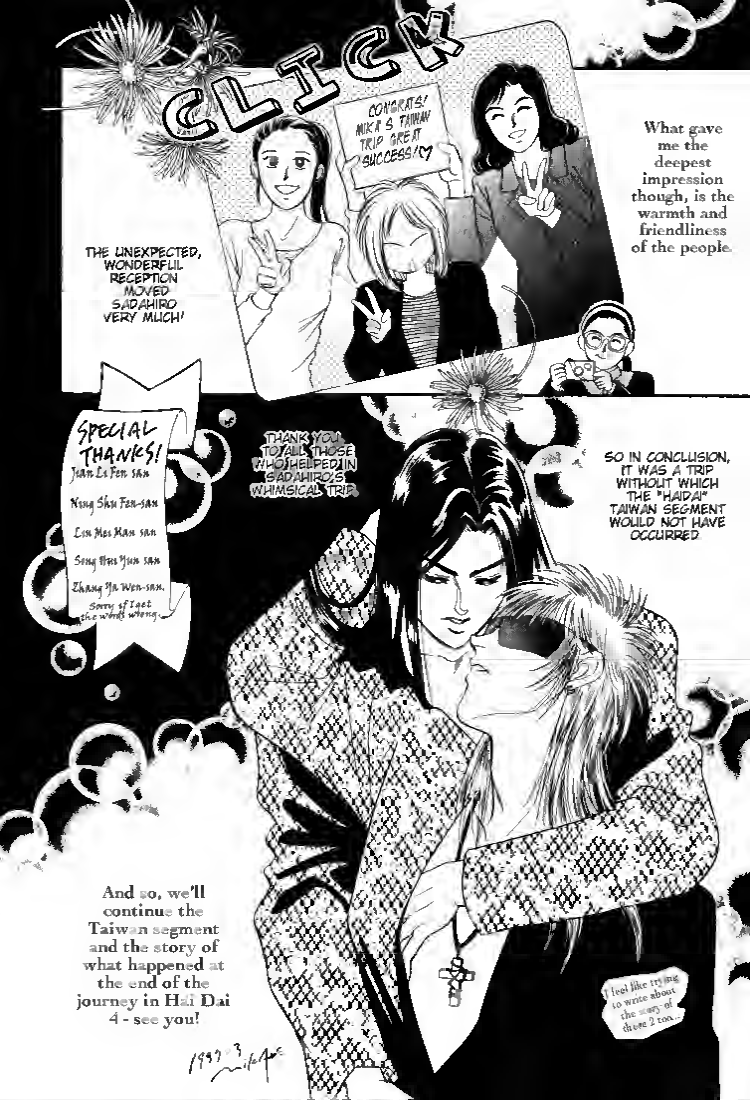
IT WAS A LIVE HOUSE WHERE MANY BANDS HAD THEIR MAJOR DEBUT.
THE ONE SADAHIRO HAD HIS EYES ON WAS THE HOTTEST CLUB "LIVE A GO GO"
LIVE

It's the same for the manga situation
The popular manga is still mostly Japanese, but the level of local mangakas are pretty high and donjinshi activities are thriving
Ning-san does donjinshi, too
The new mangaka that travels with me on the
ZHANG-SAN.
HOLD'ES LIGHT YAOI TOO
I DO NOVELS.



But even so, the Taipei people and streets were so lively!
Departments run until 11pm, night markets till 2am.

Her house was a huge building!
All that I could sing was the "Suzhou Night Song" and "Jintashuya" and "Jinta's night" - for that night, Sadahiro was Li Xiang Lan!
The last night, we had a karaoke tournament at Zhang-san's place!
Song lyrics: Teresha
I shall go memorize some Teresa Teng songs too.



CLICK
CONGRATS! MIKA'S TAIWAN TRIP GREAT SUCCESS!
THE UNEXPECTED, WONDERFUL RECEPTION MOVED SADAHIRO VERY MUCH!
What gave me the deepest impression though, is the warmth and friendliness of the people.
SPECIAL THANKS!
Jian Li Fen san
Ning Shu Fen-san
Lin Mei Han san
Sung Hsi Yun san
Zhang Ya Wen-san.
Sorry if I got the wrong wrong
THANK YOU TO ALL THOSE WHO HELPED IN SADAHIRO'S WHIMSICAL TRIP.
SO IN CONCLUSION, IT WAS A TRIP WITHOUT WHICH THE "HAIDAI" TAIWAN SEGMENT WOULD NOT HAVE OCCURRED.
I feel like trying to write about the story of these 2 too.
And so, we'll continue the Taiwan segment and the story of what happened at the end of the journey in Hai Dai 4 - see you!
